OFFER BREAK TO ARLINGTON HTS. GIs

Temporary housing is proposed

Action will probably be taken within the next ten days by the Arlington Heights Zoning Board of Appeals and the village board for temporary housing permits for GIs. The matter came to a head this week when a discharged soldier asked permission to erect a two car garage for temporary living quarters. He had the lot, but his finances did not permit him to pay the present high costs of a new home. Old homes are not to be had.

The village board was called in special session Monday night by Mayor Goedke to consider the situation facing this particular G. I. and probably many others. All members agreed that some way should be found to issue temporary permits similar to what is being done in Chicago and other suburbs. Members of the board took the stand that two car garages are more sightly than the portables that are being erected in Park Ridge and even in Chicago.

The GI who had made the application, offered to take out a building permit to be used when conditions would make possible the erection of a regular house. He was told that the municipal authorities are in sympathy with him, but no definite action could be taken until a joint meeting could be held with the appeal board and a procedure could be set up that would protect adjoining property owners. "It would not be advisable to permit garage homes to be erected hit or miss about the town," stated Mayor Goedke, "but if applications are accompanied by consents of adjoining property owners and the garages are well built with modern sanitary conveniences I do not see how any municipality can say 'no' to the families of the discharged men."

Other business transacted by the Arlington Heights board Monday night included authorization of an advertisement for bids on a police car and a tractor mower.

A resolution was passed designating Willow street, between State road and Dunton as an arterial highway, which will permit the widening of the 12 foot pavement existing thereon.

Two associates join Karstens funeral home

The Karstens Funeral Home announced this week that due to the large volume of business and to expand its wide service in Arlington Heights, and vicinity, two associate members are being added to their all ready dependable service, in the persons of Roy L. Fairbanks and his son William H. Strilen, both licensed embalmers and funeral directors.

Mr. Fairbanks is well known throughout the state among morticians. He has had a wide experience over many years. His son, William H. Strilen, just home from overseas, is a graduate of Cincinnati College of Embalming, class of 1938.

Mr. Strilen is now in Cincinnati taking a post graduate course in embalming and demi-surgery, and will return to be a resident of Arlington Heights with his family in the near future.

Two school officials retire

April 13 is election day for all schools. Last Friday was the last day for the filing nomination petitions for school districts that operate under boards of education.

High school board

H. W. Carlson, Mt. Prospect, after a three year term as a member of the Arlington Heights high school board, will not be a candidate for reelection. Arthur Skelton, also of Mt. Prospect, has been nominated to vacancy caused by the withdrawal of Mr. Carlson. His running mate is A. C. Haake, who has been secretary of the school board almost since its original organization. Messrs. Haake and Skelton are candidates for three year terms.

E. F. Laurin, president of the board is a candidate for reelection, a position to which he was appointed by the school board

Consolidation election called in district 58

At a public meeting of residents of school district 58, Elk Grove township held March 22, the majority of the persons present expressed their preference for consolidation with the two adjoining districts. An official election will be called in April to vote on the proposition.

It is proposed that sections 13, 23 and 24 be annexed to school district 59 and section 14 be annexed to district 56.

Palatine plans July 4 celebration

Mayor Wm. H. DePue, Palatine, was host Tuesday evening at a dinner to representatives of Palatine civic organizations, the purpose of which was the completion of plans for a Community Fourth of July celebration that may rival any other such event to be held in the Northwest area this year.

A liberal budget was adopted which includes a \$1,000 for fireworks. Pledges were received from Lions Club, Fire Department, American Legion and Auxiliary, Women's Club and other groups to cooperate in the event. "If enthusiasm means anything Palatine's 1946 celebration will be the greatest home welcoming that any ex-service group has received in Northwest Cook county," stated Mayor DePue Wednesday.

It is to be a double barreled affair—a welcome home for the boys who have returned home and a house warming for the 175 new families who have moved to Palatine this year.

Added zest to the celebration is given by the purpose for which a major share of the net profits will be utilized, the ultimate acquirement of a 10 acre Memorial Park. That is the goal that Palatine has set to attain. Its achievement seemed certain to those present at the dinner Tuesday evening.

From Arlington police blotter

A quantity of plumbing fixtures were taken last week end from a home under construction at 813 and 834 Princeton ave., Arlington Heights.

A number of windows in the southside school were broken between Saturday and Monday.

Wallace Bolte, Des Plaines, a GI who returned March 4 to his former mail carrier job at Arlington Heights, passed through the war without a scratch, but an Arlington dog drew blood on him this week, according to the files in the police station. The dog is known as a repeater, Carrier Weidner having been badly bitten a year ago.

A Palatine man was lodged in the Arlington jail over night last week charged with attempting to pass a worthless check at a local business house.

Police used a fire extinguisher to put out an auto fire Monday morning.

Nearly every other entry on the police blotter refers to dogs, covering complaints, pickups, redemption by owners and frequently their extinction at the request of the owners.

Chicago police, checking on the whereabouts of a girl, located her whereabout Mt. Prospect and Arlington Heights. The girl returned to her home in Chicago.

members a year ago after the resignation of Clarence I. Davis. M. F. Maher, who took the position vacated by Mr. Laurin, when the latter was elevated to the presidency, will be a candidate for a two year term. There is no opposition.

District 25 board

Robert Blackburn, after six years as a member of the board of education of School District 25, Arlington Heights and five years as its secretary is retiring from the board. M. L. Kurtz, 805 South Mitchell has been nominated to the vacancy.

A. E. Goldthwaite, 426 East Park, who was elected as a member for the first time last year, is the other candidate for the three year term. N. M. Lattof has been renominated for president. There is no opposition to those nominated.

Director sought for Arlington youth center

The Arlington Heights Youth Center committees have been scratching their heads on the question of where to employ a director for the new center.

Inquiries of several Chicago schools and placement agencies, have not produced the answer. Some applications have been received but the hours, transportation or some other reason has prevented arrangements being completed.

Other neighboring centers have local people for directors and hence the happy thought there must be some one in Arlington Heights or surrounding community that could and would be director of the new center.

The director's work will be largely during the time the center will be open to its members, likely some 15 or 20 hours a week. Anyone who has a knack or aptitude for working with youth should fill the bill admirably. Experience in similar work is desirable but not essential. The committee thinks the director should be a younger person and maybe someone who had graduated from Arlington high school.

Anyone interested in the position should contact M. F. Egdorf, principal of the high school, who heads the director committee.

Cub and boy scouts donate \$150 to center

The Cubs and Boy Scouts of Arlington Heights have earned another medal for themselves by contributing \$150.00 to the new Youth Center.

They were asked to assist when the drive for funds commenced. They promptly replied that a paper drive would be put on and 50% of the proceeds would be donated. Under Frank Havranek's able guidance the drive was a success as evidenced by the handsome contribution.

Once more the Scouts have shown their interest in the community and their ever willingness to be good citizens. Arlington Heights is proud of its Scouts.

Walther League Easter breakfast to be served

After an interruption of three years during the war, the Senior Walther League of the Lutheran church, Arlington Hgts., will again serve an Easter breakfast following the Sunrise service in the school basement.

This group of 45 young people, all of whom will have some part in this program, is offering a menu of fruit juice, hard and soft boiled eggs, bread, coffee cake, coffee and milk.

To cover the rising cost of food-stuffs the charge is 40c for adults and 30c for grammar school and younger children. Tickets may be purchased in advance from any member of the senior group.

Little opposition shown for township committeemen

The April 9 primaries will be void of any local excitement, except in two townships. In both townships the only contestants are for Democratic committeemen.

Wheeling township, two men aspire for the position of Democratic committeemen. They are Jack Clark, present head of the party and Mike Zeravich. In Schaumburg township the race is between two Republicans, Louis Redeker (incumbent) and Albert W. Berlin. The candidates of the two parties are:

Barrington		Palatine		Wheeling	
Dr. Giescke	Palatine	Jake Goldman	George Howes	Palatine	Roy La Londe
Henry A. Busse	Wheeling	Jack Clark	Henry A. Busse	Mike Zeravich	
Henry Helse	Hanover	John Grog	Henry Helse		
Louis Redeker	Schaumburg		Louis Redeker		
Albert W. Berlin	Elk Grove	Ray Nebel	Albert W. Berlin		
William Busse	Elk Grove	I. E. Besand	William Busse		
Fred Willie	Maine	Cusey	Fred Willie		
Ed. Griese	Northfield	Harold White	Ed. Griese		
George Blaumeiser	Niles	Krier	George Blaumeiser		
Arthur Haugen	Leyden	John Cullerton	Arthur Haugen		

Pros. Hts. nets \$9.38 per pupil to youth center

The Prospect Heights whirlwind drive for funds to support the Youth Center at Arlington Heights proved successful. The 14 high school students participating in the drive collected a total of \$300 and Miss Sue Schuett won the lovely sweater offered by the Prospect Heights Hardware to the student making the highest average. Miss Schuett's average was \$2.15 per house.

The high objective of the campaign was to realize \$10 per student attending high school from the Prospect Heights School District. Had the goal been achieved a sum of \$320 would have been secured. The final result gave the students \$9.38 per capita which is considered an extra fine showing.

The committee in charge of the house to house solicitation by the students were: Daniel C. Robertson and Roy H. Borroughs of the Improvement Assn., George E. DeStorres and O. I. Thompson of the Prospect Heights Lions Club. Mrs. Byron H. Bohrer served as chairman of the committee and was the spark plug of the student group which did the actual leg work and solicitation.

With such a high per capita rating per student the 14 boys and girls who participated in the drive may well be proud of the record which they made.

J. D. Flentie returns from California until June

Mr. and Mrs. J. D. Flentie returned to Arlington Heights Saturday after a business trip to Pasadena, Calif., where they purchased a place that they expect to make their permanent home. Julius says that real estate moves even faster in California than it does in Arlington Heights.

As he was preparing to make a down payment on one place he was looking at, a third party walked in and offered the owner \$1500 more money.

Julius let him have it, and he is more than pleased with the one he actually purchased. Mr. and Mrs. Flentie had to delay their return home, waiting for train reservations.

St. Peter ladies send to needy

The Arlington Heights St. Peter Lutheran church, under the auspices of the ladies societies, recently shipped donations of 87 cartons of clothes, a total of 3200 pounds to the needy overseas. The clothing committee of each society merits a vote of thanks for the days work they gave in packing and labeling the 87 cartons.

The Ladies Aid is quilting three new quilts for the needy in Europe to be sent over shortly.

The medical kits for the suffering in Europe will go across a little later.

The four ladies societies are contributing \$25 a piece, a total of \$100 towards this work of charity.

The kits may be obtained for \$5.50 a piece. Anyone interested may call Mrs. H. Schwolow.

Yipee! Ki Yi! Get Along Little Doggone-that Cow

Last Thursday afternoon the peace of the Bensenville Police Station was shattered when a call came in reporting that a woman had been chased into the high school by a bull, and was marooned there.

Although a squad car and tommy gun are not considered the most appropriate equipment for rounding up stray cattle, Chief Mackch was undaunted and leaped to his saddle—well, anyway, he got in his car and headed south. It turned out the lady in the school was slightly confused, and the bull was a nice, frisky, family cow who had a well-developed case of spring wanderlust and no intention of returning to her duties at home.

After giving chase through a good part of the watery south end of town, the Chief enlisted the aid of an old cow hand, village employee Emil Dohe, who maybe never farmed west of Salt Creek, but who knows a cow when he sees one. Equipped

Arlington police rescue U. S. army from the enemy

The U. S. army may have been able to win its own battles in Europe, but it is a different story in Arlington Heights when the "enemy" comprises two teen age girls. At the request of the PW camp on Central road, Arlington police picked up the two young ladies Saturday night who were loitering too close to the camp. The girls were warned and no charges were preferred against them. The ages were fifteen and sixteen years old.

Make plans for summer round-up

Arlington Heights committees of the public and parochial schools announced this week the dates for the summer round-ups for pre-school children. Round-ups will be held as follows: St. Peter's School, May 20; St. James School, May 21; North School, May 22, and South School, May 23.

The roundup consists of a complete physical examination in the office of the family doctor, a dental examination in the office of the family dentist, followed by a conference with the school nurse on the day of the roundup.

On Friday of this week all elementary school children will take home a form letter on which parents are asked to list children in their or their neighbor's families who will enter kindergarten next year. Those entering first grade next year who did not attend kindergarten should also be included.

To be eligible to enter kindergarten next year a child must be five on or before December 2, 1946, and to enter first grade next year a child must be six on or before December 2, 1946.

The names of pre-school children acquired through the form letters and through calls to the schools will be used as an index for the roundup committees. They will send to the family of each child a medical record form to be taken to the family doctor and dentist.

No examination will be conducted in the schools on the day of the roundup. Parents will bring the completed blank to their school on that day, will confer with the school nurse regarding the results of the examination, and will register their child for school. In compliance with the state law providing for a physical examination before entering school, children will not be registered for school until the physical and dental examinations have been completed.

The public schools' roundup is sponsored by the Parent-Teacher Association, with Mrs. Charles Stadelman as roundup chairman. Mrs. William Edberg is chairman of the St. James Catholic school roundup which is sponsored by the Women's Guild.

The St. Peter's Lutheran school roundup is sponsored by the Mother's Club with Mrs. Harold Malzahn as its chairman.

SHOE SHINING PARLOR

Arlington Heights latest business venture is a shoe shining business that Paul Dolinjack has opened in Rudy Steins candy store south of Arlington Theatre.

Arlington Red Cross reaches two-thirds mark

The Arlington Heights Red Cross fund drive has reached a total of \$2,495.84 of its \$3,600 quota with many collections still unreported, according to Mrs. Donald Cox, chairman of the drive.

Though the war is over, the work of the Red Cross goes on, especially on a world wide scale at the present time. Many servicemen are still overseas and entitled to the services of the Red Cross given them.

Many more young men of today are just being taken into the armed forces. For them the Red Cross is just beginning. Other work of the Red Cross is aiding human suffering and America's biggest relief group has yet to be found wanting.

Mrs. Cox is seeking cooperation from everyone in the community to put Arlington Heights over the top in this year's goal. She has requested anyone not solicited to send in their donations either to her or one of her able assistants.

Map new road building program here

Cook County Board of Commissioners passed the preliminary resolution last week that will lead to the paving of four roads in the northwest area of Cook County. Two of the roads are of a direct benefit to Palatine, two of interest to Schaumburg residents; one is in Hanover and another will be of direct benefit to Mt. Prospect and Elk Grove residents. Some of the roads are now black topped, but have not stood up properly. Commissioner Busse told Paddock Publications this week, "all of them carry heavy local traffic and they serve areas whose residents have waited a long time for a hard surface highway."

The announcement of Mr. Busse of these road improvements is good news for the northwest area. The war put a stop to major road construction and word at this time that "we" were going to share in the county's paved road program came as a surprise.

The roads to be paved are: Roselle Road, from Route 58 to Palatine Road.

Palatine Road from Ela to Algonquin road.

Schaumburg Road from Barrington Road to Irving Park Boulevard.

Lincoln Ave. (Mt. Prospect) from Elmhurst Road to Busse Road.

Elmhurst Road in Mt. Prospect is now closed while the bridge over Weller Creek is being widened as a part of the widening program of that highway from Route 58 to Rand Road.

Black top contracts let

The county board has recently let contracts for black topping a number of roads in this area. Among them are:

Hintz Road, Wheeling Township, from Arlington Heights road to Wolf.

Nerge Road, Schaumburg township, Roselle road to 53.

Wiesse road, Schaumburg township, Roselle road to Irving Park Blvd.

Mt. Prospect road, Elk Grove, Central to Route 58.

The township of Schaumburg is in an enviable position so far as roads are concerned. It is the only Cook County township without an incorporated body within its confines, yet it has one of the best systems of roads.

Tax collections start April 3

Tax collections in Wheeling and Elk Grove townships will start Wednesday, April 3, when collectors Annen and Kraemer will open their offices in the banks at Arlington Heights and Mt. Prospect.

The collectors have had their bills out for a couple of weeks and have given their customers a chance to get over the first shock and settle down and get ready to pay their bills.

Both collectors are looking forward to an opening day rush of the early birds, those faithful taxpayers who always are ready for tax time and who want to get their bills paid and have it over with as soon as possible.

Priorities For Lumber

Uncle Sam has frozen lumber, but according to information secured by Paddock Publications from local lumber dealers, the government has frozen a lot of board feet that do not exist in the local lumber yards. Many of them who have GI priorities on file are unable to stock up. The only explanation the dealers can give is that the black market is paying too high a price out west. The mill can make more by not filling orders from the middle west.

The ban on non essential building will directly affect school districts 57, Mt. Prospect and District 25, Arlington Heights, which have secured approval of bond issues for school additions. The newly organized Palatine Consolidated district is in a worse condition as actual consolidation instruction must wait until a building can be erected.

So far as this paper can learn priorities can be secured for homes, the construction of which has been started to the extent that some material has been put in place. "If a sewer tile has been cemented in place or a cement foundation has been started, the building can proceed."

Clergyman returns from Europe, to speak in city

An invitation is extended to all churches represented in the World Council of Churches, to attend a mass meeting for the purpose of honoring Dr. Louis W. Goebel, National President of the Evangelical and Reformed churches, who has just returned from the meeting of "The World Council of Churches" at Geneva, Switzerland.

The mass meeting is to be held at St. Paul's church in Chicago, located at corner of Orchard, Kemper and Fullerton avenues, Sunday afternoon, March 31, at 3:30 o'clock. Elevated and Clark street cars travel within 3 blocks of the church.

Dr. Goebel will speak on conditions of the churches in Europe. St. Paul's has a large auditorium and it should be filled to capacity on this occasion.

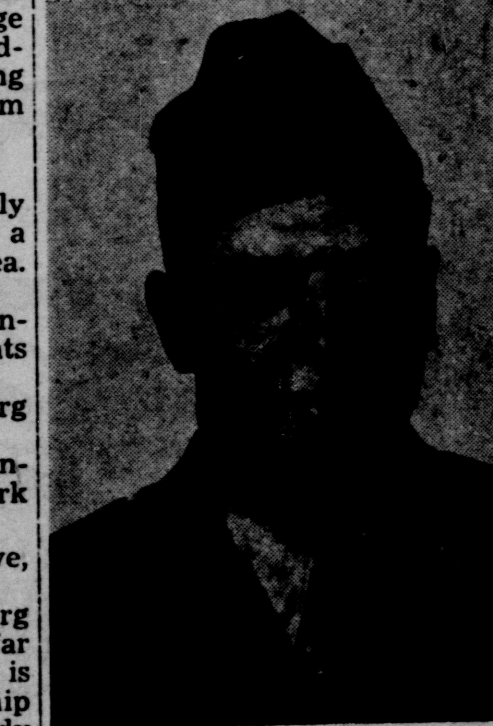

Two war vets to manage Lattof's new store

Two veterans of the campaigns in Europe and North Africa will manage the new Lattof's Store now nearing completion at State and Davis, Arlington Heights.

Ira R. Deyman will be the manager and Robert H. Goedke will be in charge of service and commercial sales.

Store manager

Mr. Deyman was born and reared in Chicago. He is a grad-

uate of George Williams College and the University of Chicago. He is a college mate and fraternity brother of Mr. Lattof. For over fifteen years Mr. Deyman was in Boys' Club and Summer Camp Work. Most recently, he served as manager of the Roxbury Boys' Club of Boston, one of the largest in the country, boasting a membership of 3300.

In 1944, the Boys' Clubs of America awarded him the Meritorious Service Medal for fifteen years of service in Boys' Work.

Mr. Deyman served in the army as a member of the 91st Chemical Mortar Battalion. He is a veteran of the Battles of the Bulge, the Rhineland and Central Germany.

Mrs. Deyman is Director of Girls' and Women's Work of the Irving Park Y. M. C. A. The Deymans expect to make Arlington Heights their home.

Girl cyclist hit by auto in Arlington

Dorothy Albrecht, 10, daughter of Mr. and Mrs. John Albrecht, 402 West Campbell st., Arlington Heights, had a narrow escape from serious injuries Tuesday afternoon when riding her bike east on that street. She was hit by a car being driven by Arvid Carlson, 17, son of Mr. and Mrs. Arvid Carlson, 213 West Fremont.

Dorothy was knocked unconscious and given first aid at the office of Dr. Herman J. Carr. Her life may have been saved because her thumb caught on the radiator of the Carlson car. The member was so severely cut that several stitches were necessary. Other injuries were confined to cuts and bruises. She did not fully regain all faculties until Wednesday morning.

A car being driven west by Mrs. Chas. Klehm was parked on the north side of Campbell st. at Highland where her son-in-law, Ed. Timmerman, was making repairs. Carlson, traveling west, attempted to cut around the parked car, discovering too late that three girls on bikes were in his path. He swung back to the right hitting the Klehm car at the same time hitting Dorothy.

The bike was completely wrecked and the damage to the Klehm car is estimated at \$75.

Race meeting brings new R. R. crossings

When a construction foreman installing the new R. R. crossings at the Arlington Seating Co. plant, Arlington Heights and at Willa Material Service, Mt. Prospect, was asked reason for such magnanimity on the part of the Northwestern, he replied, "perhaps the coming race meeting had something to do with it."

Now, if the Arlington Hgts. municipal authorities had sufficient "pull" to get similar crossings installed at Vail and Dunton streets, all Arlington motorists would be happy.

Two war vets to manage Lattof's new store

For the past several weeks, Mr. Deyman has been attending the Firestone training school at Akron, Ohio.

In charge of service

Robert H. Goedke was born and educated in Arlington Hgts. He attended the St. James School and graduated from the local high school in 1940. He is married and expects to live in his home town as soon as he can find living quarters. Being the son of the mayor has not been of much help to him in solving his housing problem.

Before enlisting in the army, Mr. Goedke held the position of parts manager with the Arlington Chevrolet Company, where he was also in charge of the radio department. His radio training with General Motors was put

ROBERT H. GOEDKE

to good use in North Africa and in Italy, where he served as Staff Sergeant in charge of a radio repair platoon. During his three and a half years army experience, he served in three different armies, the English 8th and the American 3rd and 7th. He saw action in North Africa, Sicily, Italy, Southern France and Central Germany. He has seven battle stars. He plans to attend the Frigidore Service School in Rockford in a few days.

New skin for old

by C. W. LUSSMAN
of Sieburg Drug Co.

A practice which is all too common is to treat any skin disease which may appear with home remedies, following the advice of any good friend who seems to speak with authority. This is a serious error. The skin is a true reflection of what goes on beneath it. Whatever may appear on the surface indicates a condition of the bloodstream and requires skilled medical advice and treatment.

Blemishes, eruptions, spreading rashes, discolorations such as psoriasis, all should be treated scientifically.

Obtain sound advice from a physician and take his prescription to a pharmacist of known ability and trustworthiness.

Vote Democratic for

Wheeling Township
Committeeman

MIKE ZERAVICH

A successful farmer. Operated his own farm for many years in Wheeling Township. A successful business man, owns and operates an establishment in Wheeling Twp. Is not a political job holder. Is an independent, fearless leader. Is not obligated to Partisan Politics. Will render honest and efficient service to the taxpayers. A vote for Mike Zeravich is a vote for better government in Wheeling Township.

HIS SUCCESS PROVES THE RECORD

This is Mike back in December, 1941. Mike's indignation over Pearl Harbor was getting him down so he resolved in a large voice "I'm not going to shave until the war's over." Mike didn't shave himself seriously until his friends began offering bets. In no time the bets made shaving seem unprofitable. Mike held on to his resolution for 3 years and 9 months and when VJ Day came Mike shaved and won all his bets. He resolves that when he's elected your Township Committeeman he will serve you to the best of his ability.

American Legion auxiliary notes

Mrs. C. B. Jones, 1007 N. Mitchell ave., Arlington Heights, will be hostess to Merle Guild Unit, the American Legion Auxiliary, on Tuesday, April 2, at a 1:30 dessert luncheon and social afternoon.

The president, Fannie May, Americanism chairman, Camille Peroutka and National defense chairman, Iva Jones, attended the patriotic luncheon and luncheon held at the Sherman hotel Thursday, March 21. The luncheon was satisfactory and the speakers good. Father Link's subject was "The Trail Blazers"; Mrs. Johnson, "The Girl Scouts"; Mrs. Marie Sheehee as others also spoke on the program.

Mrs. Lucia Lackowski, 9th district director, was guest of honor at the birthday pot luck supper on March 25. A bountiful and varied assortment of dishes were provided. After the dishes were cleared away Fannie May placed a huge cake in front of the commander, Dewey Beck, and while happy birthday was being sung, cut and served the cake. Cards furnished the amusement for the evening.

Alma Pump exchanges vows with Henry Gamache

Miss Alma Anna Pump and Henry L. Gamache, AMM3c, both now of LaGrange, exchanged marriage vows and wedding rings at Emmanuel Evangelical Lutheran church, Proviso, Sunday, March 17, at 2:00 p. m. The wedding was performed by Rev. E. H. Pitteko, before a group of relatives and close friends.

Alma wore a lovely gown of white satin and lace, with a fingertip length veil held in place by a tiara of orange blossoms and carried a bouquet of beautiful red roses.

The two attendants were the bride's sisters, Mrs. Clara Rubschlager of Chicago and Miss Eleanor Pump of LaGrange.

They wore gowns of American beauty velvet and pink net and carried white carnations and red roses.

The groom was attended by his two brothers, Richard Gamache,

CM2c and Cpl. Ernst Gamache. Mrs. Pump and Mrs. Gamache both wore jersey pink dresses and wore corsages of white carnations.

Mrs. Harold Voorhies sang "O Perfect Love" and "The Lord's Prayer", accompanied by Lawrence Pohlmann.

After the ceremony a wedding dinner was served at the "Old Farm Inn" in LaGrange Park and later a reception was held at the Brookfield National Hall for 200 guests. Among the out-of-town guests were the groom's parents, Mr. and Mrs. Leo Gamache, Mr. and Mrs. Richard Gamache, Mr. and Mrs. Robert Lumb, Ernst Gamache and Roy Stevens, all of Worcester, Mass.

The couple are driving to Seattle, Wash., where he is stationed until his discharge in December, 1946, which will complete his six years of service with the navy.

Day camp a worthwhile part of girl scout life

Mrs. E. A. Meineke activity chairman

Tomorrow's world will need citizens for an atomic age. Each year man reaches farther into space, deeper into the mysterious structure of the atom. And each year this progress of science threatens to lift mankind's feet permanently off the firm soil of reality and balance.

This view is expressed at National headquarters of Girl Scouts. It is pointed out that a new world can be planned on paper documents, but that it can be successfully built only with people, and officials of Girl Scouts believe that this has bearing on many phases of scout work, particularly summer camp life.

Mrs. Ellsworth A. Meineke is chairman of the Arlington Hgts. Girl Scout Day Camp. She believes that the day camp provided for local scouts will acquaint the girls with simple out-of-door living, and that it will help to build health of mind and

of body by satisfying the deep urge for kinship with nature. Others working on camp committees feel that well-conducted camp life is a small sized democracy where the technique of living and working together constructively may be practiced.

Mrs. George Glow was day camp chairman last year when girls of Arlington Heights, combined with Mt. Prospect girls, numbered 144 day campers. With the increased membership at the present time, it is anticipated that there will be a minimum registration of 225 girls.

This means that there must be a staff of 36 unit leaders, and it is predicted that the women of our community will not fail to serve so worthy a cause. It is hoped that response from the ranks of the local residents will be satisfactory in order to assure the required number of leaders, and make the success of the program a certainty. The enjoyment of these daylight hours spent in the out-of-doors promises much for both scouts and adults.

Engaged

Mr. and Mrs. C. E. Frederickson of Arlington Heights, announce the engagement of their daughter, Edwina Marie, to Cpl. A. A. Prunchunas, son of Mr. and Mrs. K. Prunchunas of Chicago. Cpl. Prunchunas is stationed at Camp Crockett, Texas.

Arlington PTA picks officers

At the March meeting of the Arlington Heights Parent Teacher Association, the following officers for the year 1946-1947, were elected: Martin A. Maher, president; Mrs. Vernon A. Sturm, vice president; Mrs. Wallace Jacobus, secretary; Willis Hubbard, treasurer, and Miss Lucille Hagman, historian.

Installation will take place at the May meeting, and the new officers commence their duties at the end of the school year.

BAPTIZED

Kathleen Elizabeth Klehm, daughter of Mr. and Mrs. Carl G. Klehm of Arlington Heights, was baptized Sunday, March 24, at the morning services at the St. Peter Lutheran church by the Rev. L. V. Stephan. Kathleen was born February 21, 1946.

The sponsors were Roland Bolte, Mrs. Faye Feddeler of Arlington Heights and Mrs. Carl G. Betsnyder, now in California. Since Mrs. Betsnyder could not be present for the ceremony, Mrs. Roland Bolte served in her place by proxy.

Host on 25th wedding

Mr. and Mrs. Bernhard Laubinger, 212 W. Fremont st., Arlington Heights, were hosts at a dinner party in celebration of their silver wedding anniversary Tuesday evening.

Guests included Mr. and Mrs. Ed Homeyer, Mr. and Mrs. Frank Jakesch of Des Plaines, Mr. and Mrs. Herman Krohn, Miss Frieda Krohn, Mr. and Mrs. Karl Krause, Mr. and Mrs. Bernhard Radeck, Miss Gloria and Bernard Radeck of Chicago and Mr. and Mrs. Wm. Guenther of Arlington Heights.

Jr. Women host to 7th district

Seventh District Junior Women's Clubs will be guests of the Palatine, Arlington Heights and Des Plaines Clubs on April 3, at the Community room in the Palatine township high school.

Des Plaines and Arlington Hts. club members are in charge of the program for the evening. Refreshments will be served by the Palatine girls.

This is an excellent opportunity for all club members to meet active workers from these clubs and many of the girls will attend a district meeting for the first time. All club members are invited.

Woman's Club enjoy annual spring luncheon

About 200 members and guests of the Arlington Heights Woman's Club gathered at the fieldhouse Wednesday, March 20, for the annual spring festival of the club. Delicious frozen fruit salad, cake and coffee was served at tables gay with floral centerpieces and candles.

Mrs. B. A. Noyes, chairman of the hostess committee, greeted the group and presented Mrs. Geo. N. Tuttle, program chairman who introduced Mrs. L. McComas, owner of the Old Colony House, interior decorating shop of Wilmette and Park Ridge.

Mrs. McComas had a beautiful display of drapery material which she handles and made suggestions for its use in different homes. After the program she talked with members about individual problems.

State officer to talk

Mrs. E. E. Byerrum of Warrville, vice president of the Northern Region Illinois Federa-

tion of Women's Clubs will be the guest speaker at the meeting of the Arlington Heights Woman's Club at 1:30 Wednesday, April 3, at the fieldhouse.

The topic of the afternoon is "Conservation and Gardens". Mrs. Byerrum is well acquainted with her subject and an interesting speaker. She served for 3 years as State Conservation chairman for the Illinois Federation of Women's Clubs and is now the president of the Illinois Chapter of the Wild Flower Preservation Society. She is also secretary of the Conservation Council.

Members are asked to bring their contributions for the scrap box which the Art Department has for receiving salvage materials to be used by the Red Cross in its arts and crafts work in the army and navy hospitals.

Evelyn Lakes, Clarence Kruse are married

Evelyn Lakes, daughter of Mr. and Mrs. S. Lakes, became the bride of Clarence Kruse, son of Mrs. Evelyn Kruse of Evanston on Wednesday, March 20, at 3:30 at St. John's Evangelical Reformed church in Evanston. Glen Kruse, brother of the groom and Miss Catherine Ropy, friend of the bride were their only attendants.

A reception was held in the evening at the Orchard Bungalow at Franklin Park. Turkey dinner was served to 250 guests. The couple received many useful gifts.

Mr. and Mrs. Kruse spent a few days honeymooning up north. They will be at home to their friends in Berwyn.

Bernice Garms says 'I do' to Robert Marsh

Miss Bernice Garms, daughter of Mr. and Mrs. William H. Garms of 22 North Belmont ave., Arlington Heights, was married Saturday at seven o'clock to Mr. Robert C. Marsh, son of Mr. and Mrs. Robert A. Marsh of Glen Ellyn.

The candlelight wedding took place in the bride's home, where the fireplace was banked with bouquets of flowers. Rev. Kampen officiated at the ceremony.

The bride chose for the occasion a light blue suit, with matching accessories. She carried a bouquet of white roses.

Mr. and Mrs. H. Geweke married fifty years

Mr. and Mrs. Henry Geweke, 540 Fifth Avenue, Des Plaines, celebrated their fiftieth wedding anniversary Monday, March 18, at St. John's church, Lawrence and Mt. Prospect Road. Over a hundred witnessed the anniversary service conducted by Pastor Bergstraesser. Mr. and Mrs. Magers sang a beautiful duet. A reception followed in the parish house, which had been attractively decorated in white and gold.

Henry Geweke, Junior, eldest son of the couple, acted as toastmaster in the program that followed the anniversary dinner. Bouquets of words as well as flowers were showered on the venerable couple who were that day receiving congratulations from the children of those who were the guests at the original wedding.

Among those present was Edwin Boesenberg who was a best man at their wedding. John Geweke, who also served in that capacity fifty years ago, was unable to be present. The two

bridesmaids have passed away. Mrs. Peterson officiated at the piano and Mrs. Neset rendered a number of solos.

Miss Rose Munsterman, daughter of Mr. and Mrs. Dick Munsterman, members of a pioneer family in this area, became the bride of Henry Geweke March 18, 1896, in a ceremony that occurred in the same church where the anniversary service was held.

Mr. and Mrs. Geweke started housekeeping on a farm at River and Rand roads, later moving to a place near Dam No. 2. They later returned to Leyden township, residing on the Munsterman homestead farm, remaining in that area until two years ago when they moved to Des Plaines.

In addition to Henry, they have two other children, Theodore, Glenview and Mrs. Elsie Hodges, Tampa, Florida. Mr. and Mrs. Geweke received many fine presents.

Barbara Annen

Funeral services for Mrs. Barbara Annen, 87, wife of the late Nicholas Annen, were held Tuesday morning from the Lauterburg & Oehler chapel, Arlington Heights, to St. James church with interment in Buffalo Grove. She had been bedridden the past seven years, death coming Friday evening.

There remain five sons: William, John, Carl, Arlington Hts.; Louis, Sidvis, Ill.; Joe, Hammond, Ind.; two daughters, Mrs. Regina Bode, 1717 N. Latrobe, with whom deceased resided and Mrs. Rose Weslin, Fulton; 15 grandchildren and eight great grandchildren.

Barbara Lohnisen was born in Buffalo Grove. She married Nicholas Annen in 1880, the two moving from Buffalo Grove to Arlington Heights in 1900. They celebrated their golden wedding in 1930 and had been married 58 years when Mr. Annen died in 1933.

Mrs. Emma Friese

Mrs. Emma Friese, 83, nee Schwanbeck, died Tuesday evening at St. Joseph hospital, Elgin. The body is lying in state at the Karstens funeral home, Arlington Heights, until noon Saturday, when it will be moved to St. Peter church. Services will begin at the church at 2 p. m. Interment St. Peter Ev. Lutheran cemetery.

She leaves a daughter, Emily; a son-in-law, William Wilke; grandson, Richard Wilke; granddaughter, Clara. Other relatives are a brother-in-law, Ed Friese, Arlington; 3 sisters-in-law, Mrs. Ed Friese, Mrs. Pauline Kuhs, Lansing, Mich.; Mrs. Minnie Schwanbeck, Spokane, Wash.

Emma Friese, nee Schwanbeck, was born January 21, 1863, at Grimsen, Germany, and was baptized and confirmed in Germany, coming to the United States in 1881, making her home with her sister at Huntley, Ill.

October 6, 1883, she was united in marriage to William Friese at Woodstock. After their marriage they made their home at Huntley for a few years, and since then Mrs. Friese has made her home in Arlington Heights.

IN MEMORIAM

In loving memory of our dear husband and father, James M. Calligan, who passed away 1 year ago, March 30, 1945.

He bid no one a last farewell, He said goodbye to none; His loving heart had ceased to beat.

Before we knew it, he was gone. Loving and kind in all his ways, Upright and just to the end of his days;

Sincere and true in his heart and mind, A beautiful memory he left behind.

He had a nature you could not help loving, A heart that was purer than gold; And to those who knew him and loved him,

His memory will never grow cold. And when evening shadows are falling, And we're sitting all alone,

To us there comes a longing, If only you could come home. Off and oft our thoughts do wonder

To a grave not far away, Where we laid our husband and father,

Just 1 year ago today. Sadly missed by wife, Elsie, son Duane, daughter Anita, son-in-law Howard Beckler.

IN MEMORIAM

In cherished memory of our dear husband, son and brother, S/Sgt. Victor W. Sander, who met his death in action in Germany on March 31, 1945.

Just a year ago today Our hearts were torn in two, And all the dreams we dreamed, dear Vic,

Vanished in the blue. We planned so many, many things

And were so sure they'd be, But fate stepped in and the cruel war

Took you away from us. Our love for you will never fade, We'll always hold you dear,

And though on earth we are apart, Deep in our hearts you're near. We pray each night for God

To keep you in his care, Until in heaven some day we'll meet And be together there.

Loving Wife, Mother, Brothers and Sisters.

IN MEMORIAM

HERBERT LARSEN
In loving memory of our beloved son and brother who so suddenly was called to his eternal home March 29, 1941.

The rolling stream of life rolls on, But still the vacant chair

Recalls the love, the voice, the smile Of one who once sat there.

Beyond the sunset he has gone, And still his memories linger on; Some say time heals a broken heart,

But no, it is not true, For five long sad years have passed And our hearts still ache for him.

Loving Mother, Sister and Brothers.

IN MEMORY OF our beloved son, John Wolf, Jr., who passed away a year ago April 1, 1945. God knew that you were suffering. He knew you were in pain; He knew you never could get well in this world again. He saw the road was getting rough. The hills were hard to climb, So he closed your weary eyelids And whispered peace be thine. Loving Mother, Father, Sisters and Brother.

Mrs. Mark Snelling

Mrs. Mark Snelling of Zion died at the Lake County sanatorium last Wednesday night, the eve of her 24th birthday. She lived with her aunt, Mrs. Maria Detienne, 2618 32nd st., Zion, before she entered the sanatorium a year ago.

She was born Evelyn Westphal, March 21, 1922, in Arlington Heights and moved to Zion in 1937 where she was a saleslady in

the grocery food department of the Zion department store. Mrs. Snelling leaves her husband, Mark, a returned serviceman; a daughter, Bonnie, 4; and a son, Johnnie, 2½. Her father, Rhenhard Westphal, lives in Waukegan.

Elizabeth Closson

The remains of Elizabeth Dill Closson, 1583 Ellinwood st., Des Plaines, who died Saturday at

the home of her daughter, Mrs. Bertha Wenzler, were shipped from the Lauterburg and Oehler chapel to Leslie, Mich., for services and interment on Monday. Mrs. Closson was born in Scotland December 25, 1849. She passed away at the age of 96, the oldest citizen in Des Plaines, where she has made her home the past 17 years.

She is survived by a daughter, Bertha Wenzler.

Girl Scout news

Troop 1
The Girl Scouts of Troop 1, under the leadership of Mrs. Wm. Keiser are finishing their cooking and dramatic badge.

Tuesday, April 16, the troop is going to visit the Bornhoff Dairy at Glenview, where the girls will see milk bottled in the new square type bottle.

Troop 4
Ruth Havanek, troop scribe for seventh grade girl scouts, reports that March is their birthday month and it was celebrated with a party last Wednesday night. The mothers were guests. Refreshments of cake, cookies and ice cream were served.

Troop 5
The Girl Scouts of this troop are finishing My Troop badge. At the last troop meeting Monday the girls took advantage of the spring weather and had an exciting game of baseball.

Troop 10
On Monday the 8th grade Girl Scouts met at their leader's home, Mrs. L. Lesser. They had an outdoor cooking lesson. The girls cooked bacon and made bread twister.

Troop 6
The 5th grade South side Girl Scouts, under the leadership of Mrs. N. M. Fink, are working on their Cook and Hostess badge. At the last troop meeting they were asked to write what would be a good school lunch for winter and summer.

Troop 12
The 6th grade Girl Scouts from the South school, with their leaders, Mrs. Willis Hubbard and Mrs. Hugh Gilman, took a nature study hike Monday. The girls are finishing their design badge.

Troop 13
The girls of Troop 13, North school, are planning to have a birthday party in their birthday month, which is April. They hope to have completed their second class rank by that time.

There will be five new girls who will be invested then. They are Carolyn Hinneberg, Marlene Machnik, Virjean Tesch, Patricia Carol, Jeannette Kolivoda.

Fourteen out of 16 girls in this troop subscribed to the American Girl Magazine this year.

Troop 15
On Monday, the second grade Brownies from the South School, with their leaders, Mrs. Gerald Sanders and Mrs. S. W. Butterfield, were guests of Marlene Martin. Marlene celebrated her eighth birthday. The afternoon was spent in playing games and singing songs. About 5 o'clock a delicious supper was served.

The Troop Scribe Class
On Saturday, April 6, the Troop Scribe class will take to press their last issue of the Pioneer Scout. With this issue there will be a new editorial staff.

It will be Nancy Carr, Arlington Heights, managing editor; Frances Hubbard, asst. M. E.; Nancy Tice, Mt. Prospect, M. E.; Anita Peterson, feature writer; Barbara Lyon, asst. feature writer; Pat Shanley, news editor; Pat Gieseke, asst. news editor.

Marilyn Archibald, city editor; Darlene Chidley, asst. city editor; Mary Lou Walters, asst. city editor; Nancy Bauman, copy editor; Carol Fink, asst. copy editor.

KELLY'S KOLUMN

Never having reviewed a musical event before I thought it wise to see how the experienced critics do it. After reading several reviews on everything from the opera Tannhauser to Jerry Bojanowsky's latest concert in Orchestra Hall, I found out. There are two types of critics — the polite kind and the truthful kind, who is also a confirmed cynic. Both use many adjectives, but most of the reviews I ran across could be boiled down to a very brief statement . . . "it stank".

Well, everyone to their own opinion, but when it comes to Arlington Heights' high school band, any guest at the band concert last Thursday night will agree we have something to brag about. Mr. Schmoeyer has done a superb job with the musically-minded high school students in the short six months he has been head musical director at Arlington.

This year instead of combining the instrumental and choral groups as done previously in an annual spring concert, Mr. Schmoeyer is presenting them separately.

"In a Persian Market" was my favorite of the evening. The orchestra performed so delightfully it was almost possible to see a vivid market teeming with colorful sellers-of-goods and feel the awe inspired by the princess when she entered the square carried in her sedan. The "story in music" ended with the deep, rhythmic tones of the tubas which were the swaying camels leaving the Persian city in a long caravan winding over the desert.

Schubert's "Unfinished Symphony" was treated with kindness, too. Not being altogether familiar with the piece, every time there was a long pause I would think "the end?" Then they would start all over again.

The clarinet section showed up exceptionally well in the lively "Clarinet Polka". Other outstanding sections were the smooth saxophones, a muted trumpet expertly handled by Duane Schroeder, and flutes that were clear as bells.

The only weak spot was in selections from "Sweethearts", an operetta by Victor Herbert. That sounded as if the best remedy would have been a little more practice.

Solos on the program were offered by Pat Brock, piano with orchestral accompaniment, and Duane Schroeder, trumpet. In spite of the rain there was a large crowd in attendance Thursday evening. It was an evening well spent and we look forward to hearing Mr. Schmoeyer's choral concert sometime in April.

THE MAILMAN'S CORNER

by LELAND ELLIS TRUXELL

Gardenias to the mothers, wiv-
eas, sweethearts of the boys over
there. They held up bravely
through a long and trying ordeal
of fear and loneliness. And now
that most of the fear is gone, and
only loneliness is left, why not
toss a few orchids to the fellow
who, in a great measure, helped
the womenfolk carry on through
those long and dreary days? So
here they go—a bouquet of or-
chids to dear old dad—hero of the
home front!

Yes sir, Dad is a noble per-
son! His shoulders are broad.
They have to be. Even in the
midst of war, he can find time
to josh Mary because she had a
scrap with her boy friend, and
swears she will never see him
again. Dad makes her see the
humorous side of the whole
thing. He kids the missus about
how beautiful she looks, in the
hope that she will stay out of
the beauty parlor this week so
that he can meet the premium on
the insurance.

When mother comes to him in

tears from worrying because she
has not received a letter from
William, father calms her fears,
proving logically enough why
there was no letter, then spends
all of his time on the way to the
office wondering why Willy
doesn't write.

No matter how serious or how
simple the problem may be, the
solution is generally left up to
dad. It is dad who shoulders most
of the responsibility for quieting
the fears and arousing the cour-
age of the whole family.

And when he talks tough about
what he would like to do to the
Japs and Nazis, when he curses
and damns a bit about the house
when things don't go just right,
it is generally because it helps
him hide the ray hurt inside him-
self, the uneasy feeling that is
with him every moment that
Willie and Bob are over there,
even into the long, sombre hours
of the night.

So while everyone feels sorry
for the wives and mothers and
sweethearts left behind, why not
take time out to offer a word of
praise to dear old dad who, with
sublime courage, went on sup-
porting his family, calming their
fears, selling bonds, and keeping
up the spirits of those about him,
when his own spirits were nearly
scraping bottom. In his own quiet
way, Dad is a hero, too.

Libertyville to fine liquor youths who give wrong age

An ordinance making it a vi-
olation for a minor to misrep-
resent his age in order to purchase
alcoholic beverages has been
adopted by the Libertyville vil-
lage board. The parents would
also be liable if they misrep-
resent the age of their children.
Fines range from \$5 to \$200.

Firemen collect \$14,000 for truck in Glenview

Glenview firemen put on a
three week drive for funds for a
new fire truck, and netted a cool
\$14,000. The drive showed the
utmost cooperation between busi-
nessmen and residents of the
community. Delivery of the truck
is expected by late summer.

SUES FOR DEATH

Frank Stajduhar, administrator
of the estate of his brother, Lloyd
has filed suit in Circuit court
against Henry and Richard Ebel
for \$10,000 damages for his brother's
death in an automobile ac-
cident. The accident occurred on
Northwest Highway at Wilke
road December 6 last. Deceased
was a passenger in a car on
Northwest Highway when the
Ebel car, driven by Richard, and
owned by Henry, collided with
the other car. Lloyd was fatal-
ly injured and died next day.

FORECLOSE

Suits to foreclose liens on cer-

from Barrington to Wauconda,
has been scheduled for this
spring. The road, with high bank-
ed curves and shoulders, was
built for speed. Local drivers
however, who face snow and ice
several months of the year, want
the shoulders leveled off, guard
rails installed and the steep banks
on the curves filled in. The state
is conducting a survey of the
road.

\$200,000 church building begun in Glenview

Contracts have been let and
construction has been started on
the \$200,000 unit of the Glen-
view Community church. Plans
include a sanctuary, large social
hall in the basement, and one-
third of the educational build-
ing. Further construction will
be added when funds are avail-
able. Ground breaking services
occurred Sunday.

MT. PROSPECT

The will of Mrs. Sophia Wisch-
mann, who died in Mt. Prospect
December 8, leaving an estate es-
timated worth \$5,500, chiefly real
estate, has been admitted to prob-
ate. She left a tract of land to
each of her three children. They
are William Wischmann, Lena
Grandt and Mary Rateike, all of
Mt. Prospect.

BARTLETT

Herman Ackmann of Bartlett,
died intestate January 10, leav-
ing a \$7,500 estate. Probate court
proceedings show his only heir
to be his daughter, Laura, also
of Bartlett.

Park Ridge denies \$6,500 homes on 35 foot lots

Park Ridge city council refus-
ed permission to build 42 \$6,500
homes on 35 foot lots, as request-
ed in the northwest part of town.
The lots are not adjoining, and
the council deemed larger homes
and lots were necessary before
permission could be granted. It is
hoped that reapportionment can
be made, allowing larger lots.

Barrington car, stuck on rails, saved in time

When a Barrington autoist
drove his car onto the station
platform instead of the road due
to fog, he found his vehicle stuck
between the rails of the North-
western line. A southbound train
was expected at any minute.
However, a tow truck was called,
and the train flagged down, while
the car was removed.

Radio company seeks Barrington site

The Admiral Radio corporation
has requested information from
the mayor of Barrington regard-
ing possible erection of a 25,000
square foot building site to house
a branch of that concern. The
company expects to employ 300
persons, about 75% women.

Questions on G. I. bill

Question: I was married while
I was stationed in England. We
have a child now two years old.
Must he be naturalized to be-
come a citizen?

Answer: A. If you were over 21
years of age at the time you were
married, your child is a citizen
at birth, provided that you re-
sided in the United States 10
years, five of which were after
attaining the age of 16.

B. If you were under 21 at the
time you were married, your
child must be naturalized. How-
ever, when the alien mother of
the child is naturalized, the child
will automatically become a citi-
zen, provided:

1. The mother is naturalized
while the child is under 18 years
of age.

2. The child is residing in the
United States when the mother
is naturalized or begins to re-
side permanently in the United
States while under 16.

There is a bill now pending in
Congress to bestow citizenship on
the children of American ser-

vicemen with alien wives.
Question: I received a blue dis-
charge from the U. S. Army. Since
this type of discharge is neither
honorable nor dishonorable, I
should like to know if I am en-
titled to hospitalization at a vet-
erans' hospital, educational bene-
fits or servicemen's readjustment
allowance (compensation)?

Answer: You may be entitled
to full benefits as a veteran. De-
termination in doubtful cases as
to whether the character of dis-
charge is a bar to entitlement un-
der the G. I. Bill of Rights is
made by the Veterans Adminis-
tration in the Adjutant's office
in each regional office or
facility under the direction of an
Adjutant officer and the
Claims Division of a central
office. You also have the right to
have your discharge reviewed
with the possibility of having it
changed to one that is honorable.
To do this write to the Adjutant
General's Office, Washington 25,
D. C., and request necessary ap-
plication blank.

Many drivers lose rights under responsibility law

Driving rights of 257 Illinois
motorists have been suspended
for failure to meet requirements
of the new Drivers' Safety Fi-
nancial Responsibility law since
the act went into effect Janu-
ary 1, the Safety Responsibility
Division reported to Secretary of
State Edward J. Barrett today.
The suspensions were as of Mar.
15th.

Of the drivers' licenses sus-
pended, however, 122 have been
restored to motorists who later
revealed they had financial re-
sponsibility in the form of prop-
erty bond or insurance, that their
automobile had been stolen, that
they had been the victims of
wrong license numbers given by
persons figuring in accidents, or
where the case was settled or
where releases were obtained
from aggrieved parties.

The Division said in the two-
and-one-half months the new law
has been in operation, 1,417
motorists have been certified to the
Secretary by the State Depart-
ment of Public Works and Build-
ings to post security to cover ac-
cidents involving deaths, injury
or property damage of more
than \$50.00. Motorists certified
were those without proper bond
or insurance to cover damages.

Secretary Barrett said that the
amount of security motorists
were asked to post because of
accidents, totals \$713,118. Sixty-
six motorists who were certified
for a total of \$15,965, he said,
posted security in the form of
cash, certified checks, postal
money orders or security bonds
to protect their right to drive
pending settlement as to who
were at fault in accidents.

Twelve motorists lost their
right to drive because of failure
to report accidents in which
they were involved, the others
because they chose not to post
security. The law requires that
accidents in which there were
deaths or injuries, be reported
within 24 hours, those involving
property damage of more than
\$50.00 within ten days. The Safety
Responsibility Division reported
that accidents in which mo-
torists were certified, involved

12 deaths, 245 injury cases and
1,327 of property damage.

SKOKIE

The will of Ella Baril who died
in Chicago December 28, gives
3/16 share of the \$15,800 residue
of her estate to a nephew, Arthur
Helmholz of Skokie. Her entire
estate is estimated at \$23,800.

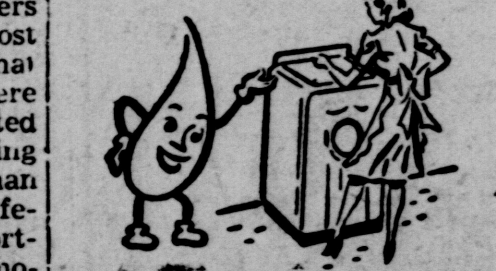

CULLIGAN SOFT WATER SERVICE IMPROVES ALL LAUNDERING

When women discuss laundering, soft
water service is very often an important
part of the conversation. Rightly so,
too. For, no matter what soaps you use,
or how efficient your washing machine,
your laundry will never be really soft
and clean if you must wash with hard
water.

Have all the soft water you need... yes,
water softer than rain... with Culligan
Soft Water Service. Wash with softened
water and all your linens will glisten
and all your washables will be sparkling
fresh and sweet. With richer suds and
less rubbing, colored washables will

keep their bright colors longer and
won't wear out so soon... and that
means a big dollar and cents saving to
you.
Don't put up with old-fashioned hard
water scrubbing... phone for Culligan
Soft Water Service today.

**HERE IS NOW CULLIGAN SOFT
WATER SERVICE WORKS**
We install a softener in your basement. We

AROUND the CORNER

Dear Jane:

If you are interested in ceramics, don't miss the current show of woods and ceramics now showing at the Art Institute in the east end on the first floor.

I might very well have done so if it hadn't been for Mrs. Ludlow, who manages the cafeteria in the basement of the Institute. I was eating a particularly tasty lunch there last Saturday, when she came along to say "hello". This wasn't the first time I've followed her advice to see a certain exhibit, and I must say, I have yet to be disappointed. Mrs. Ludlow knows her beans, but she knows her art, too!

The kind guard on duty in the room where this exhibit is displayed looked up a sheet of paper for me on which to take notes, but so help me, Hannah, I later lost the paper.

I do remember that Prestini is the artist who did the woods, and I think the bulletin said he is now teaching at Armour School of Technology in Chicago. His bowls and platters rely on a choice selection of woods of many kinds, on design, and on finish for their unusual beauty. There is no ornamentation of any sort. As a result one sees a smooth, satin-like piece of beautifully grained wood for practical use in the house of today.

The pottery is jewel-like in color. I have never seen such colors, and mixture of colors! The artists are unfamiliar to me, but I'm going to get their names if I have to write to the Institute for them. Every piece in this exhibit is a collectors item, and many of them are, or were when I was there, for sale.

I couldn't help but muse over the fact that many people will go to a department store and pay high prices for pottery of inferior craftsmanship, when they could purchase some of these outstanding examples of the potters art, right out of the Art Institute for as low as \$4.00 and \$5.00.

The same can be said about those terrible, terrible pictures for which department stores ask such tremendous prices. I actually know of a young woman, who turns out those gold framed so-called "museum oils" in quantities. She's so ashamed of them, she puts fictitious names on them. The stores pay her very little in comparison with what the price tags indicate in their "galleries".

A lot of people labor under the false impression that pictures hanging in the Art Institute can't be bought. If they would buy a catalogue of the current shows they would see that prices are plainly printed near the number given to the picture along with the artist's name. If the Institute has purchased a certain picture for its collection, or the artist doesn't wish to sell, or for some other reason, a notation is generally given. Many times I have been delighted to find that the prices asked for these REAL works of art, were easily within reach of a moderate purse.

Better to own one example of a good artist's palette, than a dozen by some one not worthy to be called the name," Aunt Meg always says.

I was too late to see the Bellows show, and too late to see those architectural drawings for the post-war house. I seemed to have been there for that "in-between shows" period. But the ceramics more than made up for my disappointment on that score.

By the way, Jane, last Saturday was the first time I went to Chicago since moving to the farm. I rode on the train Rob takes to the city every morning. It is made up of Janesville, Wis., and has a lounge and diner. Well, sir, I walked into that diner just as if I'd been used to taking my meals on a train every six months or so, opened up the morning paper, and pretended like I was on my way to California. What fun! I ordered a bigger breakfast than I ever eat at home, even called the porter back for a second cup of coffee, and left what I KNOW was a much too large tip. Oh, well, all the rest of the way to Chicago, that porter treated me like Mrs. Gotrocks, brushed my coat with a whisk broom when we were about to reach the station, and helped me off the train with the statement: "Hope you get that pretty Easter bonnet you're going to look for." The rascal, how did he know? Well, I did. I mean I got a new hat... one of those stove-pipe things with a big pink bow tied saucily in front, and I love it! Cherrio, until next time.

With love, Mary.

Your weekly treat recipe

In planning healthful menus we must include plenty of milk and dairy products, and lots of vegetables. Vitamins, minerals, carbohydrates, protein and roughage which they contain are important factors in daily diets. Vegetables can be prepared in many ways—but here is a recipe for something delicious and unusual—wax beans in sourd cream.

Wax Beans in Sourd Cream

1 lb. wax beans
2 eggs
1 cup Sourd Cream
3/4 cup sugar
1/2 cup vinegar
1/4 teaspoon salt
1/2 teaspoon pepper

Cook slivered beans in salt water until tender. Drain. Pour a sourd cream sauce over them which is made by combining eggs, sourd cream, sugar, vinegar and seasonings. Heat thoroughly, but do not boil. Serve hot.

Tales of the STREET

BY T. C. HART

WILD LIFE

One evening a short time ago a wild eyed neighbor barged into the Ed Davis home on the south side of Palatine with the startling information that there was some sort of wild animal cavorting about the Davis lawn.

Mr. Davis went out to investigate and sure enough there was the animal and in short order Mr. Davis had treed a possum. He called John Manz, another neighbor, to warn him that his chicken coop was liable to be raided if the possum ever came out of that tree.

Mr. Manz came dashing over with a baseball bat and finally sent Mr. Possum to the happy hunting ground after the foxy animal played dead three or four times before he really was.

Mrs. Davis says that lots of city people think "it's so peaceful in the country" but after all that wild animal excitement she has decided that it isn't always so peaceful but that they love it just the same.

SPRING TRAINING

The baseball teams are fast winding up their spring training and are heading back to open the season early in April. We asked Red Helms, right fielder of the Arlington Red Wings, the other day when his outfit was going into training and where.

Red thought that they would probably train at Schaumburg, making their headquarters at Lengels and laying out a diamond in one of the Freise pastures. Anyhow they'll begin to get busy pretty soon.

Red performs two sterling roles with the Red Wings. He pounds out long hits with men on bases when runs are needed and he's a past master at chasing the other team's long drives into those bushes in deep right field and snagging the ball out and trying to get it back to the plate before the other fellows get in too many runs.

A LAWN TRIP

A Palatine lawn mower started on a long trip to California the other day. Mr. McCauley shipped his mower to his son out there in the golden west so that he could mow his lawn.

We thought California claimed to have everything including climate but it seems they don't have or can't get lawn mowers out there. Mac says his son can get his grass cut a couple of times and get the mower back home by the time the home lawn is ready to cut. It sure is going to be a great life for that lawn mower this summer. Commuting back and forth between Palatine and California every time a lawn needs cutting.

If there happens to be any traffic delays some one is liable to have to use a scythe.

CHURCHES PROSPER

The churches should all be in good shape according to some

folks who make out income taxes. These fellows say that from the amounts deducted for church donations by people making out their income tax all the churches should be rich.

STILL IN DOUBT

Whether or not spring is really here seems to be a debatable question these days. We talked to Henry Freise, one of the pioneers of this section of the country, the other day and he said the wild geese had all gone north, the spring birds were all here and he thought that we were going on into spring without any serious upsets.

Then we called up August Hackbarth, squire of Silent Oaks out there in Plum Grove and asked him what it looked like. August said that it was pretty wet and chilly yet, that he hadn't planted any lettuce or spinach and that that famous cactus plant of his was not only in full bloom but also was making a lot of new buds.

That last statement was enough for us. Settled spring weather is not here yet and there is trouble ahead.

FROGS

And hen there are the frogs to add their bit to the weather forecasting business. The frogs have been croaking merrily in the marsh lands for several nights now and the old adage is that they have to be frozen in three times. So with the cactus and the frogs both saying that there is still cold weather coming don't be in a big hurry about planting that garden even if the ground does dry up.

MANY BIRDS

These spring mornings are alive with bird life. After the scarcity of birds this winter we began to wonder if the spring migration would come up to other years, but it surely has.

There seems to be even more birds this spring. On one of those balmy, misty mornings last week the air was fairly vibrant with the songs and calls of the spring birds coming back to live around here or on their way through for more northern quarters. Robins seemed in the majority and their song came from all directions. The song sparrow was also evident in numbers. Morning doves were calling from three or four different directions. Grackles and red wing black birds were in the air and far off across the fields came the song of the meadow larks and the sharp call of the killdeer.

And then from a tree close to us a Flicker let loose his raucous mating call which was soon answered by one of his own kind a short distance away. Yes, the spring birds are here in abundance and the morning air is filled with their many toned strains of music.

READING & WRITING

BY Edwin Seaver AND Robin McKown

Recently, when a British Lieutenant Colonel was flown out to India, he was asked what historical sites he intended to visit. His reply was that there were only two famous things he wanted to see in India: the Taj Mahal and Seagrave's Burmese nurses.

Readers of "Burma Surgeon" will remember the part played by Dr. Gordon Seagrave in the epic retreat of General Stilwell's forces from Burma to India. The saga is continued in "Burma Surgeon Returns." This second book takes it up at the point at which Dr. Seagrave sets out with his refugee nurses to return to Burma, and depicts their progress through country in which hostilities at first were only sporadic, into the thick of fighting which this time was going the Allies' way.

DR. SEAGRAVE

Like his first book, it is a narrative of hardship and courageous devotion to the service of others, and if you fell in love with his little native nurses before, you will be interested in their further adventures. With more troops coming into the territory, they began to see American movies and to imitate the stars in dress and manner, all of which did not dim their longing for home in Burma or their arduous service in the clearing stations under fire from the Japs. "Burma Surgeon Returns" ends on a high note, as Dr. Seagrave is welcomed back with wild enthusiasm to his old hospital at Namkham.

A nature note from Edwin Way Teale's "The Lost Woods" states that wasps can fly backwards. His information comes from a French scientist who states that he met a wasp face-to-face while cycling down a country road, and found that the wasp could fly in reverse as fast as he could pedal the bicycle.

The Book-of-the-Month Club selection for May is "My Three Years With Eisenhower" by Captain Harry C. Butcher. The Club's book-dividend for May and June will be "The Egg and I" by Betty MacDonald.

Russell Maloney, in his collection of New Yorker pieces, "It's Still Maloney," gives this definition of a celebrity. A celebrity, he says, is somebody to whom a non-celebrity must be explained when introduced. Example: You say, "Miss Garbo, this is Governor Dewey," and you leave it at that. But you must say, "Miss Garbo, this is Mr. Blank," with an added explanation, such as, "Mr. Blank is my brother-in-law," or "Mr. Blank has come to measure the hallway for a new carpet."

What's in a name?

Mr. X has one - it's Scheuchenpflug

Highland Parker takes easier way out

It is said that a prophet is not without honor save in his own country. Behold the exception that proves the rule—Mr. X, Director of Recreation at the Highland Park Community Center. For this man of simple tastes and habits has suddenly sprung into prominence, not only at home, but also over a coast-to-coast hook-up.

One Sunday evening, while listening to an 11 o'clock broadcast over WMAQ, Mr. X was amazed to hear the announcer switch from world affairs to — "Over in little old Highland Park is a Mr. X — a man who can't pronounce his own name" — or words to that effect; and so on and on for a 10-minute spiel.

Now this is, of course, gross exaggeration. Mr. Sch — er — Mr. X has always been able to pronounce his own name—even spell it, since his sixth year in school; as well as the rest of it,

which is, by the way, George Leopold Augustus Octavius Wilhelm Scheuchenpflug. Of Austrian origin, we believe.

Nevertheless, his name has always proved one of Mr. X's major problems. In early life it was simple; merely "George" sufficed. In later school life he became known, for some reason, as "Kid Hackenschmidt." In his school-teaching days pupils were instructed to call him "Mr. George." Still later, with a hopeless shrug, business associates resorted to "Mr. XYZ." This eventually simmered down to "Mr. X" — and stuck.

The name "X" has certain arresting qualities. For instance, at a convention one time, when our friend was remaining unobtrusively in the background, an acquaintance, arriving upon the

scene, demanded loudly: "Where's Mr. X? ... He's supposed to be here ... Oh, there you are, X!" From then on our friend entered the limelight as — you've guessed it — Mr. X!

Embarrassing to a man of his bashful tendencies — for contrary to the base insinuations of some newspapers, our friend is definitely no wolf! — have been some of his encounters with that stern guardian of the inner sanctum — the office girl. Misled by his ruddy and jovial countenance, some fresh thing is apt to demand upon his announcing himself as Mr. X, "Are you kidding, Mister?" Most disconcerting — awkward to go into.

Once at a Rotary club dinner in Denver, the master of ceremonies had a terrific struggle with the name Scheuchenpflug — and came out defeated. "Mr. Sch — Sch — Sch —" he stuttered. Then, all red and bothered, he asked: "Is this gentleman in the room?"

Our friend stood up. "I am," he stated. Then kindly: "In my home town I am known as 'Mr. X.'" The crowd applauded lustily, and everyone insisted upon shaking his hand.

"Kids are a lot smarter these days than they used to be," Mr. X muses. His daughter, Doris, for instance, although for convenience she signs her school papers "Doris X," can also spell "Scheuchenpflug." Robert, who is younger, cannot, alas, manage it quite yet.

Harpsichords to be featured in symphony

Three Chicago musicians of international reputation share the Chicago Symphony Orchestra's spotlight with Desire Defauw in the Thursday evening-Friday afternoon (April 4 & 5) concerts at Orchestra Hall this week; and two young Chicagoans will be soloists at the Young People's concert Tuesday (April 2) afternoon, under Rudolph Ganz.

Manuel and Williamson, distinguished harpsichordists will be soloists at the mid-week pair of concerts which also will be featured by the first Chicago performance of a new Symphonic Suite, "The Seven Aides," by Chicagoan John Alden Carpenter whose works have become prominent in contemporary symphonic literature throughout the world.

Four request numbers will be played by the Chicago Symphonic Orchestra under Desire Defauw in the WCFL broadcast on Wednesday (April 3) at 8 p. m.

Constructive help

Stuart R. Paddock, Editor:

I am not unmindful of the tremendous influence of the press in local matters, as well as in State and National affairs. I have been told by others close to the best interest of the children of Palatine township of keen interest in the welfare of our public schools shown by Paddock Publications and the help and encouragement given the movement for consolidation by your newspaper, the Palatine Enterprise.

I am convinced, as are others, that your open-minded, progressive and fair-minded attitude toward the project had much to do with the successful vote given the proposition on March 2. I am taking this means, as the County Superintendent of schools, to express not only my own personal appreciation for your constructive help and leadership, but also the thanks of many others in the community who feel the same way as I do and have told me of their high respect for you and your paper.

Nobie J. Puffer, County Supt. of Schools.

Fast drivers

I certainly want to add my opinion regarding high school drivers who attempt to take the lives of grade school children on the streets of Palatine. I refer, specifically, to the Wood street, Plum Grove avenue corner, where high school boys and girls drive recklessly by without looking out for grade school children going home at the same time.

In this one incident last week, Wednesday, three girls came to a screeching stop at that corner as a grade school boy, scared by the speed of the auto, fell from his bike. Luckily, he fell towards the curb, missing serious injury or death by six inches.

How about a campaign among high school drivers to use more care, at least in town near the grade schools. Adults can get out of the way in a hurry, perhaps, but children may not be so observing and adept.

Anxious parent, Palatine.

Dog pensions

Just read about the newest group of leeches attempting to get money from the federal government. It seems a group of owners of dogs formerly in the K-9 corps are seeking free dog food and veterinarian care for the pooches the rest of their lives.

Next on the list will be bonuses (cash, not bones) and then pensions for widows and children of K-9 vets. What next? Good thing there wasn't a rabbit corps. Mat H. Ematican Bensenville.

100 million years ago

Receding glaciers mark many roads in this area

Chicago lies in a broad plain which, hundreds of millions of years ago, was a great interior basin covered by shallow seas that divided North America from the Arctic Ocean to the Gulf of Mexico. Evidences of that are the coral reefs in Indiana, Thornton and McCook, or at 18th and Damen; also the fossils in the Niagara limestone bedrock.

Later, four times, the polar icecap crept down across the continent, covering this region with ice to a depth of a mile or more. As the climate changed they melted back. The last one, named the Wisconsin glacier, had an outlet thru the Sag Valley around Mt. Plaines River valley around Mt. Forest, now the Palos. Mighty torrents of water poured thru these valleys. As it retreated, it created Lake Chicago, ancestor of our Lake Michigan, then extending west to LaGrange and south beyond Homewood and Lansing.

As the glacier retreated it found new outlets, finally at Niagara Falls and out thru the St. Lawrence River. Each new outlet caused Lake Chicago to drop

—first 20 feet, then 15 feet, finally another 20 feet. The outlet to the southwest dried up and the Des Plaines River, when in flood, overflowed into Lake Michigan.

At each of its three levels, Lake Chicago built up sand spits in its bays, beach lines and sand dunes. Our earliest trails and many of our modern roads follow these beach lines or the ridges of the sand spits. Ridge Road from Homewood thru Thornton and Lansing is one; Michigan City road thru Riverdale, Dolton and Calumet City is another; LaGrange road is another; Riverside Drive in Riverside, Grosse Pointe Road, Carpenter Road, and Ridge Road thru Evanston are some others. Notice the drop from Michigan avenue at Roseland and Kensington toward the sharp rise on Washington blvd. at Central ave., or on Addison at Narragansett. Blue Island and Stony Island were actual islands at successive levels of Lake Chicago.

Chicagoand is the inevitable consequence of events happening thousands, millions and hundreds of millions of years ago. Walk and learn.

Spring is here

Kite flying hazard unless safety rules are followed

Spring is here and with it kite flying season. Kite flying is a splendid all around sport from the moment of planning construction to the time the kite is pulled down from its flight to be put away for another day. In these modern days kite flying also has its dangers.

Never fly a kite in streets that may be used for traffic.

Do not cross highways or streets while flying a kite.

Use only cotton cord for kite string. Remember that wet cotton cord is a conductor of electricity and will cause much trouble if it comes in contact with electric lines. Never use wire or metal tinsel for kite string.

Don't use a kite with metal ribs. Don't fly a kite near power or telephone wires or transmission towers. Don't permit your kite to go over radio aerials.

Don't let your kite get away from you. If you do, serious injury to yourself and extensive

damage to property may follow. Never attempt to climb poles to release a kite entangled in wires or try to release it by throwing stones at it. Better to lose a kite than to risk a broken leg, damage to nearby property, or even your own life.

It Happened Here

Passing By
The silver rain upon my face
Is but a touch of heaven's grace,
For high and sweet, now far,
now near,
Comes the wild cry,
Killdeer! Killdeer!
O, piercing sweet to hear that cry
As the one hailed me passing by!
From swamps he comes, or marshy slew,
Winging his way as if he knew
How piercing sweet it is to hear
In silver rain,
Killdeer! Killdeer!

Oily DDT solutions may poison animals

Livestock owners who are using or who anticipate using oily solutions of DDT in combating external parasites should be cautious in applying it, warn veterinarians of the University of Illinois College of Veterinary Medicine.

Experiments have shown that absorption of amounts of DDT large enough to produce poisoning may result if oily solutions of it are applied too heavily, or particularly if they are applied too often.

The powdered form can also cause poisoning; thus stockmen are warned to follow directions carefully in using this drug.

Good advice

Many disease-resistant cabbage varieties possible

Cabbage yellows is a very serious and widely prevalent disease of cabbages and related crops. Fortunately plant breeders have now produced several varieties of cabbages that are highly resistant to this disease. Indeed the list is now so complete that it seems unwise for the home gardener to use any of the older susceptible varieties.

Resistant Golden Acre, Detroit Resistant and Racine Market are all Golden Acre in type. They are similar if not identical. They are very early, the small round heads being ready for harvest 66 to 70 days after transplanting.

Jersey Queen is an early variety of the Jersey Wakefield type. Its conical or sharp-pointed heads are ready for harvest 68 to 72 days after transplanting. This variety is not so sure to head up as are some of the others.

Marion Market was the first of the yellow-resistant varieties to be introduced and is still the

leading variety. It is of the Copenhagen Market type. The rather large, round heads are ready for harvest 76 to 80 days after transplanting. This variety may also be used for the fall or late crop of cabbages.

All Head Select is a medium-early variety. Its flattened heads are ready for harvest 78 to 80 days after transplanting. Flat-headed types are desirable for midsummer harvesting because they do not split open so easily as do the round-headed varieties.

Wisconsin All Seasons is a large vigorous variety well adapted to midsummer harvest. The big, flattened heads are ready for harvest 90 to 94 days after transplanting.

A common error of the home gardener is to buy all his seeds or all his seedling plants of a single variety. As a result there comes a time when there are more heads of cabbage ready for

harvest than the family can use. If these full-sized heads are not harvested promptly, they tend to burst open and deteriorate rapidly in quality.

It is a good thing for the home gardener to buy about one-fourth of his plants of a very early variety such as Resistant Golden Acre, one half of a vigorous second early variety such as Marion Mkt., and one-fourth of a later and flat-headed variety such as All Head Select or Wisconsin All Seasons.

Many experienced gardeners follow another plan: They buy only a few plants of a very early variety. Then they buy seeds of a second early variety, such as Marion Market, and plant them directly in the row.

Either of these plans, if well-carried out, should give the home gardener a steady supply of fresh cabbage

Swine brucellosis tests increasing

Voluntary testing of swine for brucellosis is increasing under Project 1046 (swine) of the Agricultural Extension Service. This announcement is made by University of Illinois veterinarians of the College of Veterinary Medicine, who urge continued cooperation between her owners and local practitioners.

Four hundred seventy-two tests of swine in 18 herds were made during January for veterinarians cooperating with swine breeders in Illinois, while 354 tests in 22 herds were made during February. The test and slaughter plan, as outlined by the extension service, has resulted in six clean herds, as established by

blood tests are accredited by the State Department of Agriculture. Annual tests of such herds are required for accreditation. Two negative tests of all stock of breeding age must be made at 30- to 90-day intervals before a herd may attain its accredited standing.

Plan new 4-H movie contest for members

Four-H Club leaders and members in Cook county have an exceptional opportunity to gain nationwide recognition and receive valuable awards by participating in the new National 4-H Movie contest, C. H. Dick, Cook County Assistant Farm Adviser, said today.

Any adult or junior local leader actively engaged in leading a 4-H Club, and club members enrolled this year, are eligible to participate in the contest.

The 4-H leader who submits the best story idea and the 4-H boy and girl chosen to play the leading roles in the movie will each receive an all-expense trip to the 25th Anniversary National 4-H Club Congress in Chicago. Nine runners-up in each division — leaders, boys and girls — will receive U. S. Savings Bonds.

The winning story written by a local club leader will be used in the production of the new 4-H movie and his or her name and address will appear in the film. The story may be based on fact or fancy, or a combination of the two, and should not exceed 500 words. No attention will be paid to literary style or construction.

No experience is needed by either boys or girls who wish to try for a leading role in the movie, although some amateur play, speaking or demonstration practice may be helpful.

All entries must be postmarked not later than April 15, and should be mailed to National 4-H Club News, 59 East Van Buren street, Chicago 5, Illinois.

The new 4-H movie will be sponsored by the Sears-Roebuck Foundation. It will be produced in cooperation with the U. S. Department of Agriculture, the State Extension Services and National 4-H Club News. Complete information regarding the contest may be obtained at the County Extension Office.

Rural health session in city this Saturday

The first annual National Conference on Rural Health, sponsored by the Committee on Rural Medical Service of the American Medical Association in conjunction with the American Farm Bureau Federation, the Farm Foundation and other farm groups, will be held in Chicago's Palmer House on Saturday, Mar. 30.

The one-day program will cover discussions on the postwar distribution of physicians, the proposed expansion of hospital and clinical facilities in rural areas as contemplated in the Hill-Burton bill now pending in Congress; the benefits that would accrue to physicians returning to rural practice, and health education of the rural population.

The conference will follow a three-day meeting in Chicago of midwest leaders of the American Farm Bureau. In addition to these midwest leaders, those attending the health conference will be two farm representatives of each state and two or more representatives from each of the 48 state medical societies.

"This conference is being sponsored," said Chairman F. S. Crockett, M. D., of Lafayette, Ind., "because rural medical care is one of the most important health problems facing the country today. It will be the purpose of this meeting to make an approach to these problems by coordinating efforts of all groups."

Three changes in rules for the 1946-47 season have been recommended by the National Association of Basketball Coaches. They are as follows: (1) redefine the statement "act of shooting" in the case of fouls so that not so many field goals will be disallowed in the case of being fouled while attempting to score; (2) Allow an offensive team to retain possession of the ball after a free throw attempt when a player is fouled in the final two minutes of a game; and (3) change the rules to allow substitution in the final four minutes only when timeout is called. Certainly all three of these changes would be a good thing for the game. The author of this column is in favor of all of them.

Naperville breaks two mile record
That Naperville will be a real power in the Palatine Relays again this year is taken for granted.

Vokac leaves Arlington for Wright Jr. coll.

Frank Vokac, head football coach at Arlington Heights high school, has accepted a position as basketball coach and physical education instructor at Wright Junior college, effective April 1.

Vokac came to Arlington last year and coached the Cardinals in football this past fall. He had previously been coach at Morgan Park in Chicago's powerful city league two years where his teams won thirteen and lost three.

Vokac will leave Arlington the end of this week for his new position in the Chicago city league system. The Junior college league includes eight schools, four in Chicago and four suburban. State meets in various sports are always arranged for the schools just as in prep circles.

Friday night will see the culmination of part of Vokac's winter work, in addition to gym classes, the sport of "groomers" or wrestling.

Final meets in ten weight classes will be held following the intramural basketball games in the Arlington Heights gymnasium. This was the first year of the sport at Arlington.

Intramural tests Friday in 'Tourney of Champions'

by GUS LADAS

First annual "Tournament of Champions" will be presented at Arlington Heights high school gymnasium this Friday night, March 29. A full night of sports, including basketball and wrestling, is planned for the occasion. Intramural awards will be made for these two sports, including the final tests.

Evening's entertainment will open with two basketball games, the finals in the intramural set-up. First game will be in the frosh-soph division, then the junior-senior boys will determine top team.

Between the halves boys from local gym classes, will attempt to surpass previous records in "chinning" and "push-ups." After the basketball tilts awards will be given to basketball and football champions. Football playoffs were already decided a week ago.

Final attraction on the big program will be wrestling, with boys who have not lost more than one match competing. Some

have yet to be defeated, while those with two losses have previously been eliminated.

Wrestling at Arlington is in its infancy. Coach Vakac has been carrying on a complete program for the matmen this year, with 142 matches being held in the tournament proper. Main idea for the wrestling is to give non-letter winners in major sports a chance to compete.

Bouts scheduled for Friday night include:

95 lb. class — J. Jones and Dieber.
105 lb. class — Bista and Schnell.
125 lb. class — Sode and Spolder.
135 lb. class — Roderick and Cubley.

Bison trackmen warm up at Naperville, Proviso

Trapp's boys have at least ten sessions

Coach Trapp's Bensenville track squad swung into its first meet Saturday when they competed in the annual Naperville Relays. Maine won the session, but the Bison boys racked up plenty of experience. Larger schools with indoor tracks always get the jump on smaller schools, but the Naperville meet is a good warm-up for local squads.

Ten meets are on the tentative schedule, according to Trapp, with the first scheduled to be run off this Wednesday. The initial test will be over by the time this goes to press when the local squad travels to Palatine.

Of course, many meets are scheduled as good weather develops, and it is expected that several more duals will be run off as time goes on. Last year cold weather and snow in April cancelled several track contests. This Saturday the Bisons travel to Proviso for the big relays there. Again this will be an experience run for the local boys. Then the Inter Class meet is set for April 9, 10 and 11.

Complete schedule to date follows:

Bison track schedule
Saturday, March 30, Oak Park Relays.
Tuesday, Wednesday, Thursday, April 9, 10, 11, Class Meet.
Saturday, April 13, Open.
Tuesday, April 26, Palatine at Palatine, Var. & Frosh-Soph.
Saturday, April 20, County Meet at Downers Grove.
Wednesday, April 24, Barrington at Bensenville.
Saturday, April 27, Palatine Relays at Palatine.
Wednesday, May 1, Open.
Friday, May 3, Proviso Night-Relays.
Saturday, May 4, Evanston

May will be held under the lights in Waukegan on May 29 the night before Memorial Day. Coaches recently met at Waukegan to make plans for the meet.

Frosh Soph A. M. Meet.

Wednesday, May 8, Palatine at Bensenville, Var. & Frosh Soph.
Saturday, May 11, State District.

Wednesday, May 15, Palatine-Bensenville-Leyden at 8:00 P. M. (under lights).

Friday, May 17, Proviso Frosh Soph at Proviso.

Wednesday, May 22, Conference — 6 P. M. at Palatine.

Tuesday, May 28, Inter-Conference Frosh. Soph.

Maine wins at Naperville run

Maine Township won the 11th annual Naperville indoor relays last Saturday night. York took second, Wheaton, third, and Naperville, fourth. Records were broken by Naperville in the two mile relay and Riverside in the medley relay as well as the mile run by a Wheaton boy.

Ernsting of Bensenville was beaten out in the quarter final high hurdle eliminations for Bensenville's best showing. Holt and Johnson both vaulted 10 feet for good marks but the competition was very tough. Stevenson broad jumped 18 feet 9 inches and Weinacht was a foot short of 40 feet in the shot. Palatine's best showing was in the frosh-soph relay with Stevenson, Lennig, Case and Stephan running. Neither the Bisons or Pirates came close to scoring any points but did get some much needed experience.

If the weather remained warm Palatine and Bensenville agreed this week to hold a track meet at Palatine on Wednesday but the results will be in too late to make the sport page. Next week on Friday Palatine's varsity travels to Libertyville and the following Tuesday, April 9, the Pirate Frosh-Soph compete at Arlington Heights. Last year the local teams had two meets in March but snow and cold weather caused cancellation of all April meets until past the middle of the month.

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to hear why you call that an old fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people... that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so

much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"
OLD JUDGE: "Well, according to scientific research, 95% of the people who drink, drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."
GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard on the subject."

American Passion Play to open April 7

The famous "American Passion Play" of Bloomington, Illinois, will be presented for the 24th consecutive season this year. Nine performances, two more than last year, will be given including one evening presentation. The first performance will be on Sunday, April 7, at 1:30 p. m. Subsequent presentations will be given every Sunday afternoon during the months of April and May. A mid-week performance is scheduled for Wednesday, May 15, at 7:30 p. m.

All presentations will be given in the auditorium of the Scottish Rite Temple, under the direction of Aaron Brooks. Charles Vennard, well-known motion picture producer, will be technical advisor.

Harold D. Walters, who has portrayed the Christ for the past 7 years, will take the role again this year. Mary, Mother of

The Lord's Supper as portrayed in the American Passion Play will be presented at Bloomington for this 24th consecutive season starting Sunday, April 7.

Jesus will be played by Clara Koogle who has performed this role since the first production. More than 250 farmers, bankers, mechanics, business men, laborers, and housewives of Central Illinois will doff their everyday habiliments to depict the old, yet ever new, story of the Man of Galilee, His life and His teachings. These ordinary, everyday people, from all walks of life, are not professional actors — nor do they try to be — they must live their roles.

The American Passion Play requires more than 60 scenes, us-

ing equipment and costumes valued at more than \$150,000. Over forty tons of scenery, tempered by the most elaborate lighting system to be found in any theatre, fade noiselessly and swiftly from one scene to another.

Every scene is as correct in detail as exhaustive, worldwide research is able to determine. The local color of Biblical times, the

manners, habits, and customs of the people, and their mode of living, are correctly portrayed. So highly recognized is the authenticity of the spectacle that it has received the endorsement of Catholic, Jewish and Protestant bodies alike. Many groups from all parts of the country have seen the Play several times and are planning to see it again this year.

To reenlist many army veterans in grade

Capt. Frederick R. Huck, local army recruiting officer, stated today that the army will reenlist certain veterans who have been discharged under honorable conditions since May 12, 1945, in grades appropriate to their training and experience, effective immediately.

Capt. Huck stated the army urgently needs certain veterans who served a minimum of at least six months in 378 different military occupation specialties, for which suitable grades up to and including technical sergeant are being given veterans who have had prior army service.

The captain summarized the qualifications for reenlistment in the allotted grades as follows: 1. The applicant must have been discharged under honorable conditions on or after 12 May 1945.

2. He must, if meeting all other qualifications listed, enlist prior to 1 July 1946 to have an option of the different enlistment periods, namely 18 months, 2 years or 3 years. After 1 July 1946, the privileges for reenlistment of veterans under the provisions outlined will be limited

to the 3 year period of enlistment only.

3. A minimum of 6 months experience in the specialty which will appear on the certificate given him at the time of discharge (Army Separation Qualification Record).

Arrangements have been made whereby veterans who have lost, misplaced or mislaid the record, may get a transcript of it from the U. S. Employment Service Agency in their home towns. Locally, the U. S. Employment Service Agency is located at 5306 Lawrence ave., Chicago, Ill.

The captain stressed the importance of applying early, because the different specialties as they are filled, will be withdrawn.

The recruiting officer stated that this offer is also open to former officers, warrant officers and flight officers, who have become ineligible for reenlistment in the first grade due to the lapse of time since their separation from the service.

The army recruiting station for Arlington Heights is located at 1500 Miner st., Des Plaines. The office is open for business from 9:30 to 4:30 on week days, and from 9:30 to 4:30 on Saturdays.

Bonsenville

Mr. and Mrs. Wm. Peck very graciously entertained five couples at their home Monday evening in honor of Mr. and Mrs. Sam Kleinschmidt and Mr. and Mrs. Ray Helsen's wedding anniversary. A delicious chicken dinner was enjoyed.

The Silver Hawks have added two new members, George Gutnick and Robert Kerch, to their fine list of members. Any boy 12, 13 or 14 years of age, may join if he intends to be regular in attendance.

Last Saturday afternoon the Silver Hawks promoted a very successful marble tournament. Jack Miller won the temporary championship. Runners up respectively were Robert Woodward, George Gutnick, Joseph Holmstrom, Charles James and Charles Hernandez.

Mrs. Ted Bauer entertained several little playmates in honor of Jimmie's fourth birthday Sunday.

Palatine

Wm. Dreyer is operating a bicycle shop in the Bruhn's building where bikes are rented to young people.

Over forty members of the Woman's Club made a tour of the Chicago Historical Society Thursday afternoon which inspection closed with a tea.

Arlington Heights

A very pleasant time was spent Sunday afternoon and evening at the home of Mrs. Albert Nebel when friends and relatives helped to celebrate her birthday.

Friday, March 27, is the birthday of Mrs. Herman Boeger. Her family and intimate friends plan to help her celebrate that day by giving her a party in her home.

Mr. Briggs lost several swarms of bees, frozen in this unusually long continuous cold winter.

Itasca

The Helping Hand class of the Evangelical church have sewed and sold several quilts this winter.

Mr. and Mrs. William Sutter announce the birth of a son Tuesday, March 24, in Chicago.

George Plass spent the week end in Buffalo, N. Y. on a R. R. tournament. Mrs. Plass met him in Chicago and they attended the Flower Show at Navy Pier.

Roselle

Edward Heinken, son of Mr. and Mrs. Heinken of Glen Ellyn was united in marriage Saturday to Miss Ruth Lewis of Lombard.

Nineteen young folks were guests at the home of Mr. and Mrs. George Sim, Friday evening in honor of their son, George, who celebrated his nineteenth birthday.

Palatine

W. G. Ost will erect a new residence on his property. His present residence is in the hands of Louis Schroder for sale, the purchaser to remove it.

The high school literary society will give a play entitled "The Sleeping Car" at the school auditorium April 7, 1916.

Wheeling

Wheeling musical union has been organized and is meeting in the school house every Wednesday evening. Miss L. A. Garrett, teacher at the E. V. Post school, is acting as director for the present.

R. W. Ebeling has gone into partnership with Chas. Bolling, dealing in eggs, poultry and other farm products.

Arlington Heights

The Arlington Heights Street paving question came up in the county court Wednesday. Judge Williams overruled all special objections. It looks as though Arlington would have this much needed improvement.

Palatine has been informed they will be unable to get oil to oil their streets in the future.

Miss Jessie Pate invited fifteen girls to help celebrate her birthday Tuesday afternoon.

There was a surprise party on John Glade Jr.'s birthday March 17, neighbors, relatives and friends being present.

A beautiful wedding was solemnized at St. John's church Saturday afternoon when Miss Ida Schroeder was united in holy wedlock to Mr. Wm. Hugo by Rev. Ellerbrake.

Flowers bloom at greenhouses

The unseasonably warm weather of the past week had a remarkable effect on flowers growing in Chicago greenhouses. Big crops of carnations, gardenias, camellias and spring varieties of flowers were forced into bloom ahead of their natural times, and the flower shops now have an abundance of the types of flowers which were only recently in pretty much of their wartime scarcity.

There was no holding back the blooms when the temperature soared to 68 degrees on March 13; the flowers advanced and have now quickly reached maturity. Temperatures in the greenhouse rose 10 to 20 degrees above the official marks and have given Chicago its largest flower crops in five years.

Wallpaper design contest to open

An international wallpaper design competition, with \$7,500 in prizes for the winners, will be conducted between April 1 and Aug. 31 of this year, sponsored by United Wallpaper, Inc., world's largest manufacturer of wallpaper and wallpaper products. It was announced today by William H. Yates, United president. The grand prize winner of the contest will receive an award of \$2,500, of which \$1,500 is the prize for submitting the best wallpaper design in the entire competition, and \$1,000 is the prize for the best design in one of the six classifications. These classifications are: living room, dining room, hall, bedroom, kitchen and bathroom wallpaper designs. Six prizes of \$1,000 each are offered the entrants who submit the best designs in these classifications. Purpose of the international competition is to discover new wallpaper designers, to stimulate a new interest in wallpaper design and to discover possible new color combinations and motifs. Complete information and rules governing the contest may be obtained by writing to International Design Competition, United Wallpaper, Inc., 3330 W. Fillmore st., Chicago.

Salt Removes Ink Spots
Ink spots can be removed by pouring table salt on the spot while it is still wet. As soon as the salt absorbs the ink, remove it and replace with fresh salt. Repeat until the spot disappears.
